Summaries of Russian radio broadcasts.

1. Summaries of Russian radio broadcasts as monitored by the Intelligence Section of the 375th Reconnaissance Squadron (VLR), Air Weather Service, Air Transport Command Base at Fairbanks, Alaska, are of no value to FBIB.

2. FBIB obtains verbatim textings of transmissions from Radio Moscow and, therefore, the summaries are a duplication of effort.

3. Any assistance in obtaining transmission schedules of Russian Home Service Stations would be very helpful to FBIB.
